Dear Friend,

We're getting much closer to having a Library in Oakland. Did you know that the City of Oakland is negotiating to purchase the old Oakland Hardware store on Main Street for use as a Library? Establishing a Library has been the goal of The West Fayette Friends of the Library since August of 2005. For more information about the West Fayette Friends of the Library, visit our web site at www.wffltoday.org.

We need your help. We are asking you to become a member of the West Fayette Friends of the Library (WFFL) and to help support the creation of a Library. Your involvement demonstrates active community interest for a library in Oakland – an important element in building momentum and opening avenues for organizational funding.

There are three levels of membership: individual (\$10/year), family (\$25/year) and corporate (\$100/year). Membership benefits include access to the latest local Library information and the satisfaction from helping establish a vital component of our community. The monies raised via membership, combined with proceeds from the various fundraisers, will be used to help fund Library needs such as shelving, subscriptions, and computer hardware and software.

Please help us support the Library by mailing your tax deductible membership check by May 1st to the address below. Please include your email address on the check.:

We invite you to get involved in our monthly meetings held on the third Tuesday of each month at 7 PM at the Oakland Chamber of Commerce office located at 75 Doss Street.. Beyond funding, we need the participation of community members who believe that a library will add tremendous value to our growing community.

If you have questions or comments, please email them to wffl2005@earthlink.net

Thank you for your support.

Dick Seitz,
President WFFL
